Director of Publications Report – May 11, 2010

Smoke Signals

- Electronic issue is now posted and viewable from the web site.
- July issue will cover all the state tournaments
- July issue will be printed and distributed – deadline June 15.

Web Page

- Looking forward to change of service provider and many new ways of presenting material to members
- Creation of a bi-weekly electronic newsletter will be possible with the new format – not functioning currently through either Got Soccer or Demosphere
- Use of video on the new site is a possibility. Need to consider how best to use that format and for what purposes.

Miscellaneous

- Received several congratulatory emails from pleased parents and coaches concerning the Kohl's American Cup festival and the Mazzi's Italian Eatery Governor's Cup.
- Skype is releasing a multiple user program that will allow four or more parties to use their web camera and host mini-teleconferences. Something that might be worth considering for future meetings to reduce costs.
