Players should make every attempt to make ALL tryout sessions. In the event that you cannot attend one of the training sessions, please email your child's name, age group, gender and reason for not attending to:

kurt@oksoccer.com

After tryouts, ALL players that attended tryouts will receive one of 3 notifications:

Player selected for the State ODP team – this means that the player will receive information about the first event we will be participating in, how to register, cost and training dates.

Player selected to State Pool – this means that the coaches would like to see this player more. The player has not been asked to attend the event *at this time*, but will be asked to attend training sessions with the team. Coaches may choose to add players at any time for an event.

Player cut letter. This means that the staff feels the player needs more time to train and develop prior to being involved with the State ODP pool of players.

For a full list of ODP events, training site directions, event dates/cost, please go to www.oksoccer.com and look under programs, then

Olympic Development Program.

WHAT TO BRING TO TRYOUTS: Every player will need to check in at the first tryout they show up to and bring the following to tryouts:

When a player checks in at tryouts, submits all forms and has paid the tryout fee – the player will receive a tryout Tshirt and asked to report to the field for tryouts. Players will need to make sure they **do not lose** their t-shirt as they will be asked wear it to all trainings and future events.
