

## **GUEST PLAYERS POLICY AND PROCEDURES**

Tournaments and friendly games both in Oklahoma and with another National State Association may allow for the participation of guest players. A guest player is a U.S. Youth, currently registered player not rostered to the team participating in the tournament or friendly games. The use of guest players shall be in accordance with the following procedures:

1. Local club and country association policies are adhered to concerning releasing a player for guest play.
2. Teams shall only use guest players that are appropriate to the age group.
3. Guest player forms are to be completed on-line using OSA's web site [www.oksoccer.com](http://www.oksoccer.com). Click on the Get E Travel Forms! phrase for access to the form.
4. Under 11 and above recreational players may guest play with recreational or competitive teams.
5. A registered competitive player may not guest play with a recreational team.
6. Under 10 and below recreational players may not participate as guest players in tournaments or friendly games.

- C.) The player may not guest play until this form has been approved by both state associations.

3. If an Oklahoma team wishes to have a player guest play from another state association:

- A.) The player completes the Region III Guest form and submits it with proof of registration to his/her home state for approval.
