OLD BUSINESS

- OKC State Fair: Sid is working on staffing and board members will help out on the weekends.

NEW BUSINESS

- Fall Region III Meeting: Discussed who was going, when they were going and how. It seems road construction is still underway in Arkansas.
- Statewide Leagues: Steve Moore is working on this with the competitive coaches. All comp coaches must participate in order to make this work.
- Workshop Awards: Discussed the awards to give out at the workshop and ways to do this. Since our workshop is growing each year, we need to find other ways to distribute raffle items which take up a large part of luncheon time.
- Coaches of the Year: Applications were discussed.
- 2001-2002 Tournament Approval process: Packets went out and are due back 10/01/01. The country must first approve application and only completed applications will be accepted by OSA.
- 2002 Tide, Chevrolet and Snickers tournament dates: Are being set by appropriate tournament chairman.
