### Reports:

Presidents: Attended meeting with GPSA. Discussed USYS workshop attendance.

1<sup>st</sup> Vice President: Ryan will be having a meeting with the ODP staff on the 17<sup>th</sup> of December. See written report

2<sup>nd</sup> Vice President: Kevin has the new rules for the OPL posted. Regional Premier league is doing well.

3<sup>rd</sup> Vice President: Tom had an ORTL meeting in Oklahoma City. He went over the rules, has only minor changes. Otherwise the meeting went well. Lots of excitement. Arrangements are in place regarding the TOPSoccer part of the Workshop.

Registrar: Judy is working with Bethann on certification course that will be given at this year's workshop.

SYRA: Mike informed us that we will need to send 12 to 15 referees, 5 assessors and 1 mentor to regionals this year. Also there were more referee assaults this year than any other year. Reschedules are still a problem about 50% with 14 and under and about 80% 15 and above.

Office: Sid has completed the application for a rural grant. It has been sent in and he thinks we have a pretty good chance of being awarded one. The office is finishing up the database and getting the player numbers together to send in to USYA. Discussed our workshop.

Coaching: See written report from Peter.

### Old Business:
