

**Oklahoma Soccer Association  
State Cup  
Finals  
U18-U19 Preliminaries**

**Indian Springs Sports Complex  
Broken Arrow, Oklahoma  
May 26-27, 2007**

**Weather Info:**

**OSA Website at [www.oksoccer.com](http://www.oksoccer.com)**

**OSA Hotline: 800-347-3590**

## For your information:

- ☐ A single blast of an air horn by the Tournament officials will signal a stoppage of play for threatening weather. The all clear will be two blasts of the air horn. 3 blasts of the air horn signals a lost child and the park will be closed to traffic. Teams are asked not to use air horns during their attendance at the State Cup.
- ☐ Traffic at Indian Springs around the concession stand is one-way. Please observe this and be patient between matches as the congestion increases. Also be aware of players and fans walking from between parked cars.
- ☐ Scores and standings are updated hourly on the OSA website at [www.oksoccer.com](http://www.oksoccer.com) and at the display panel near the concession stand.
- ☐ Team photos must be taken for the Smoke Signals and the official awards given to finalists and champions. Please schedule your team photos prior to your final match.
- ☐ If the temperature reaches a certain level, the Tournament Committee may issue a "water break" directive to referees. At that point, a break mid-way through each half will be given for players to hydrate.
