***Renewed Partnership between Oklahoma Soccer Association and SoccerCity Ignites Enthusiasm for Soccer in Oklahoma***

Oklahoma City, August 3, 2023 - The Oklahoma Soccer Association (**OSA**) is delighted to announce the renewal of its partnership with **SoccerCity**, the premier indoor sports and recreation facility in OKC and Tulsa. This renewed collaboration sets the stage for fostering the growth of soccer and creating unparalleled opportunities for athletes, coaches, and enthusiasts throughout Oklahoma.

The exclusive partnership between OSA and SoccerCity aims to promote and enhance the sport of soccer at all levels, from grassroots to elite competitive play. By leveraging the collective expertise and resources of both organizations, this alliance strives to uplift the soccer community and elevate the standard of soccer programs and events across the state.

SoccerCity's state-of-the-art facilities, including their soon to be installed *Matrix Helix Turf with Shape Memory Technology* (the same turf used by the Dallas Cowboys and many other professional organizations), and top-notch amenities, make it an ideal venue for hosting various indoor soccer leagues, training sessions, birthday parties, and events. With this renewed commitment, OSA clubs, teams and participants can expect enhanced access to these facilities and seamless organization of high-quality soccer competitions.

"We are thrilled to continue our partnership with SoccerCity," said Jason Elliott, Executive Director of Oklahoma Soccer Association. "This collaboration empowers us to further our mission of developing soccer as a sport for all, fostering a sense of community, and promoting physical activity among players of all ages. SoccerCity's support plays a vital role in advancing our shared vision for the growth of soccer in Oklahoma."

*SoccerCity sponsors OSA's Oklahoma Premier League and Grassroots Recreational Tournament, while continuing to house indoor leagues for youth and adults, camps, birthday parties, and other soccer related events and activities.*
