

# WorldStrides®

## Did you know...

- ⚽ ...Most professional leagues in Europe schedule their fixtures to play from August to May.
- ⚽ ...Pricing on flights, hotels, and transportation differs during the year – with spring and summer being a peak travel time due to school vacation in the USA and Europe.
- ⚽ ...Worldstrides offer a variety of payment plan and fundraising options to accommodate most financial situations.
- ⚽ ...WorldStrides provides academic credits as part of their commitment to education within their travel programs. We can provide an excused absence letter if a student misses time in the classroom during their trip.
- ⚽ ...If you want to upgrade your flight seats or select specific seats to sit next to family, it is best to select the Land Only option and book your own airfare as WorldStrides cannot accommodate such options on group bookings.
- ⚽ ...In the event a family decides to book their own airfare and use the Land Only option, they are responsible for ground transport to the assigned hotel upon arrival and to the airport upon return to the US. The same goes for those that select to depart from an alternate gateway or choose a stay ahead/behind option. WorldStrides will book those selections separate from the group and cannot guarantee that you will share any of the same flights.
- ⚽ ...Reservations are non-transferable at any time, but WorldStrides offers two additional travel protection plans to choose from to help protect your investment.
- ⚽ ...WorldStrides uses hotels that are located out of central metropolitan areas to provide easier commutes to training and friendly match locations which are typically not located in downtown areas.
- ⚽ ...WorldStrides uses an extensive vetting process for all our transportation providers and Tour Directors, with the safety and security of travelers being our number one priority.
- ⚽ ...WorldStrides offers an individual 'Tour Center' for each enrolled traveler making it easy to find and receive information about every aspect of your tour program.
- ⚽ ...Four to six weeks prior to departure your reservations and Tour Director assignment will begin to populate on your Tour Center page. The days in which certain activities take place could fluctuate based on opposition availability or fixture changes.
